

2023 CFSEI AWARDS PROGRAM

DESIGN EXCELLENCE | CREATIVE DESIGN
AND DISTINGUISHED SERVICE

CALL FOR ENTRIES

The Cold-Formed Steel Engineers Institute (CFSEI), a national organization comprised of structural engineers and other design professionals, is accepting nominations for the 2023 CFSEI Awards Program. Nominations for Design Excellence, Creative Detail, and Distinguished Service are being accepted.

Nominations are due by February 24, 2023. Winners will be recognized at the 2023 CFSEI Expo and will be published in the CFSEI Newsletter and website. Winners will also be made available to professional journals through press releases.

PURPOSE

The purpose of the CFSEI Awards Program is to publicly acknowledge outstanding achievement in creative design, technical innovation, and best practices in the use of cold-formed steel and to publicly acknowledge individuals who have volunteered their time and talent to the CFS industry.

DESIGN EXCELLENCE | AWARD CATEGORY I

Projects that exemplify excellence in the structural design of new or renovated structures utilizing CFS products for exterior or interior applications. Awards may be given in multiple categories, at the discretion of the Awards Committee, depending on the total number of projects submitted.

FIRST PLACE: Winning entry will receive one free CFSEI Expo registration, one free CFSEI membership, an award, public recognition via trade publications and social media, and recognition on the CFSEI website.

SECOND PLACE: Winning entry will receive one free CFSEI Expo registration, one free CFSEI membership, and public recognition via trade publications and social media.

THIRD PLACE: Winning entry will receive one free CFSEI membership and public recognition via trade publications and social media.

CREATIVE DESIGN ELEMENT | AWARD CATEGORY II

Any exterior or interior cold-formed steel framing detail, assembly, or framing element that exemplifies creativity or ingenuity to solve a design challenge.

Awards may be given in multiple categories at the discretion of the Awards Committee, depending on the total number of entries submitted. Winner(s) will receive one free CFSEI membership, an award, public recognition via trade publication and social media, and recognition on the CFSEI website.

DISTINGUISHED SERVICE | AWARD CATEGORY III

To acknowledge the contributions of an individual who has volunteered their time, talent, and resources to the CFS industry. The John P. Matsen Award for Distinguished Service will be given at the discretion of the CFSEI Executive Committee. It will only be given when the Executive Committee has determined that a nominee exhibits exceptional qualifications in meeting the Award judging criteria, maintaining the past standards winners have set.

JUDGING CRITERIA

AWARD CATEGORY I: Entries will be judged on demonstrated excellence and achievement in the use of cold-formed steel based on design creativity, technical innovation, and overall project excellence in cold-formed steel utilization.

AWARD CATEGORY II: Entries will be judged on demonstrated excellence and achievement in the use of cold-formed steel based on design creativity, ingenuity, and design complexity.

AWARD CATEGORY III: Judging criteria for the Distinguished Service Award will be based on the nominated individual's resume or CV and the nominator's testimonial.

RULES OF ELIGIBILITY

- Any project, interior or exterior, utilizing cold-formed steel framing is eligible.
- The project's construction must have been completed in 2022 or earlier.
- Entrants may submit more than one project.
- Projects previously submitted are eligible for resubmission; however, prior winners are not eligible.
- The Distinguished Service award nominee must be a CFSEI member in good standing. CFSEI and SFA paid staff, and current members of the CFSEI Executive Committee are not eligible for nomination; paid consultants are eligible for consideration. Nominations must be made by an individual other than the nominee.
- The entrant is solely responsible for any matters regarding confidentiality agreements related to the project.
- All entry materials will become the sole property of CFSEI, which reserves the right to publish some or all entry material. The entrant warrants that he/she may legally transfer all publishing rights of any photos, renderings, or drawings submitted to CFSEI. By entering the Awards Program, the entrant grants a royalty and compensation-free license to CFSEI to disseminate or publish any copyrighted material submitted; the entrant also grants CFSEI the right to publish the names of the award recipients.

Projects or individuals not meeting eligibility requirements will not be considered for judging.
